

ES8100 Accessories

Floor plates

Floor Plates are used where floors cannot be core drilled such as in landmark buildings. The Floor Plates provide a mounting surface for the turnstiles and provide a wire way to run all cables. The ES8100 floor plates meet the standard of the Americans with Disabilities Act of 1990.

Card reader decals

Provides an icon to help communicate to users where the card reader is located.

Power Supply

The PS/DC12 is a plug-in Class II regulated power supply with an LED power indicator. It has built in cable strain relief. The housing is a bright white colored plastic and comes with a mounting tab and screw
